Rinox, a *family* story

Innovation and creativity from the founders of Rinox are what have led to its success over the last 26 years. They have anchored within their business the importance of family values. Today their four children proudly participate in the evolution of the family business.

In addition, they are proud to pursue growth through the various activities of the Rinox Group, which now includes 4 divisions, 5 manufacturing facilities and over 100 distribution centers across North America. They would like to highlight the expertise and remarkable loyalty of their employees, clients and partners throughout the past 26 years.

Thank you for being part of the big Rinox family.

From left to right :

Manufacturing A Passion

In 1997, they were only five employees in the manufacturing facilities.

Today, the Rinox Group is fortunate enough to count on well over 175 dedicated employees. It is the synergy of these passionate people that contributes to the expansion of the Rinox Group.

Our advantages

STYLE

Recognized for its avant-garde products, Rinox has made it its mission to consistently and accurately respond to constantly changing market trends. Its colossal products are undoubtedly the most remarkable and the most appreciated by customers.

PATENTS

Rinox has developed several unique and innovative products with patents. Inventions that facilitate installation and allow customers to have exclusive and superior products.

WARRANTY

Rinox stands out for the quality of their products and their 25-year Xclusive protection warranty. Unique in the industry, Rinox is proud to offer a Limited Warranty protection that guarantees Rinox concrete products including the installation.

25 years Xclusive PROTECTION

RINO XTREM

TECHNOLOGY

RinoXtrem technology enables the production of exceptionally durable and ultra-vibrant, color-fade resistant products. A unique technology that stands out in the industry because the color is found throughout and within the product.

At Rinox, we offer concrete products whose components are stable and calibrated to perfection. Our aggregates come from a single location, which allows for precise and constant formulas for each of our colors.

LOCAL

Rinox products are made in Canada and are accredited with the Well Made Here logo. This program encourages the purchase of quality building materials and Canadian-made items for the residential market.

Driveways with *creative* designs

The driveway of your home is the first element noticed by visitors. Curb appeal is important, and it is for this reason that many owners favor the development of distinctive driveways. The trend is for creative designs with unique patterns. In addition, the use of several paver formats in the same design is often adopted.

FIREPITS

There's nothing better than the atmosphere provided by a fireplace to make you want to extend your evenings outdoors. The sound of a crackling fire and the gentle warmth of flames are strong accents sought after in a landscape design.

Rinox offers fire pits in several colors that will fit perfectly with your landscaping project.
